Conditions

- 16 This permit authorizes the drilling of a well to accompany a house or other dwelling being constructed for sale. Water may only be diverted for activities directly related to the construction of the dwelling that the well will serve. Upon sale of the house or dwelling, the permit holder shall provide the new owner notice in writing of the requirement to file a change of ownership with the State Engineer for the domestic well permit. A copy of the notice shall be filed at the Office of the State Engineer along with a copy of the deed or other instrument of conveyance which conveyed the land upon which the domestic well is located.
- 16A Condition 16 shall automatically expire when the Office of the State Engineer accepts a change of ownership for filing in the name of the new owner intending to divert water from the well. No water may be diverted from the 72-12-1.1 domestic well by the new owner until a change of ownership has been recorded at the Office of the State Engineer and a 72-12-1.1 domestic well permit has been issued in the name of the new owner.
- 10 Total diversion from all wells under this permit number shall not exceed 1 acre-feet per annum.
